

sophia::monte\_carlo  
::models::Action::UpperConfidence  
Bound

```
graph LR; A["sophia::monte_carlo  
::models::Action::UpperConfidence  
Bound"] --> B["sophia::monte_carlo  
::models::Action::Target"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'sophia::monte\_carlo', '::models::Action::UpperConfidence', and 'Bound' on three lines. The right box is gray with a black border and contains the text 'sophia::monte\_carlo' and '::models::Action::Target' on two lines.
