

sophia::monte\_carlo  
::tic\_tac\_toe::models  
::Human::NextMove

```
graph LR; A["sophia::monte_carlo  
::tic_tac_toe::models  
::Human::NextMove"] --> B["process_player_move"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains three lines of text: 'sophia::monte\_carlo', '::tic\_tac\_toe::models', and '::Human::NextMove'. The right box is gray with a black border and contains the text 'process\_player\_move'.

process\_player\_move
