

```
sophia::examples::tic  
_tac_toe::observer::Subject  
::notify
```

A diagram showing a call to the notify method of the Subject class. The call is represented by a grey rectangular box containing the text 'sophia::examples::tic', '_tac_toe::observer::Subject', and '::notify'. A blue arrow points from this box to another box on the right.

```
sophia::examples::tic  
_tac_toe::observer::Observer  
::Update
```
