

sophia::monte_carlo
::tic_tac_toe::models
::Human::NextMove

```
graph LR; A["sophia::monte_carlo  
::tic_tac_toe::models  
::Human::NextMove"] --> B["process_player_move"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'sophia::monte_carlo', '::tic_tac_toe::models', and '::Human::NextMove' on three lines. The right box is gray with a black border and contains the text 'process_player_move' on a single line.

process_player_move
