

```
sophia::monte_carlo  
::tic_tac_toe::models  
::GameState::Print
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a solid gray color and contains the text 'sophia::monte_carlo', '::tic_tac_toe::models', and '::GameState::Print' stacked vertically. The right box is white with a thin gray border and contains the text 'sophia::monte_carlo', '::tic_tac_toe::models', and '::Board::Print' stacked vertically. The blue arrow originates from the right side of the gray box and points towards the left side of the white box.
